ABOUT MEDIATION TRAINING INSTITUTE

Mediation Training Institute (MTI-Nigeria) is registered in Nigeria (**RC 653923**) to provide requisite Certification training in Conflict Management, Mediation Skills and Leadership. It also provides Mediation and Consultancy services for individuals, corporate bodies and the government. It trains prospective candidates, develops best practices and standards in the field and encourages organizations and institutions to adopt Mediation as primary mechanism for addressing inter and intra - institutional disputes. With headquarters in Abuja, Nigeria, MTI-Nigeria organizes and runs both local and international training programs.

VISION: To create a New African Order, where Peace and Harmonious Coexistence will thrive; where divisive national frontiers, the burden of military spending and man's stolid inhumanity to man will be things of the past. An African Order where Peace and Justice along with Good-Governance would be promoted as the panacea for Peace, Justice, Stability, Growth and Sustainable Development.

MISSION: To provide requisite skills and resources for managing differences, for promoting peace and harmonious coexistence at home, at work and in the society at large through conflict management and mediation skills training and the promotion of mediation and other non-adversarial methods of dispute resolution in private and public sector practice; establishment of Multi-Door Courthouses and Mediation Centres - thereby enhancing teamwork and increased productivity in organizations and ensuring efficacy in our justice delivery system.
